

Inspire/Empire All – Star Information and Rules

Judges select Inspire/Empire All Stars based on their inspirational performances and dedication as a dancer. Dancers in the Junior, Teen and Senior age divisions who compete as Competition or Competition Elite dancers are eligible for selection at one of our regional events. All Star Team members are invited to join us at our Nationals Event.

In order to participate as an Inspire/Empire All Star the dancer must register and pay by June 1st through our online store. Please email info@inspirendc.com with any questions!

All Stars have the opportunity to perform in the opening number of the Inspire All Star Challenge. All Stars should plan on rehearsing every day during the Nationals event. A detailed schedule will be available two weeks prior to the competition.

The costume for the opening number is any black dance top and black dance shorts. Each All Star should bring this outfit with them to Nationals. Dancers should also bring all dance shoes with them. Most dancers will only appear in portions of the dance and Inspire/Empire does not guarantee in which sections the dancer will dance.

There is a \$100 registration fee to participate as an All Star. This fee includes the master classes/choreography and a dance top for the Opening Number. This is an excellent opportunity to inspire others and gain inspiration from master choreographers.

We are excited about Nationals and hope that you will be a part of this amazing week of dance! We hope to see you this summer!
